

# ENZY PLUS

## DESCRIPTION

ENZY PLUS contains naturally occurring bacteria, scientifically selected for their grease eating properties. Neutralizes odors, especially hydrogen sulphide (rotten egg odor). Provides a wide range of applications wherever organic waste and odors are present. Does not contain any harsh or hazardous materials.

**COLOR:** White Liquid

**FRAGRANCE:** Cinnamon

## DIRECTIONS

**GREASE AND WASTE DIGESTION:** Remove cover and pour 2 ounces of ENZY PLUS per inch diameter of drain directly into grease blanket and stir. Replace cover and resume normal use. Use daily. Inject ENZY PLUS in drain line leading to trap at night or when the traps are least used.

**LAUNDRY PRESOAK :** Add 2-4 oz. ENZY PLUS per gallon of water and soak fabric for 8-12 hours. For tough stains, add ENZY PLUS directly onto stain and then soak fabric for 8-12 hours.

**CARPET CLEANING & DEODORIZING:** Pet Stains on carpet: Dampen stained surface with ENZY PLUS and cover with a wet towel for one hour. Bacteria will begin producing enzymes that will break down and remove odors permanently. Follow with deep extraction cleaning.

**TOILETS AND URINAL DEODARIZING:** Spray area around toilet or urinal including walls and floors at least once per day during peak use hours. Do not rinse.

**DRAIN LINES-FRUIT FLY ERADICATION:** Pour one cup into drain line daily until food source for fruit flies has been eliminated.

## PRODUCT FEATURES / CUSTOMER BENEFITS

- Ready-to-use / No mixing required
- Non-caustic, non-hazardous / Safe for user & environment
- Special bacterial cultures / Safely digest organic waste
