

QUAT SANITIZER II

DISINFECTANT, SANITIZER, DEODORIZER

DESCRIPTION

QUAT SANITIZER II is an E.P.A registered, no rinse quaternary based sanitizer. QUAT SANITIZER II is formulated to disinfect and deodorize pre-cleaned surfaces, including food contact surfaces. Designed for use in hotels, schools, food processing plants, food service establishments, restaurants, and bars where disinfection, sanitation and deodorization is of prime importance.

COLOR: Clear

DIRECTIONS

Concentrations and use directions vary depending on application. See container label for specific instructions. Mix with room temperature water and check quat concentration with test strip. 200 to 400 ppm (.25-0.5 ounce per gallon of water) is required for most applications.

PRODUCT FEATURES / CUSTOMER BENEFITS

- Concentrated / Economical use costs
