

A-100

LOW FOAMING ACID CIP CLEANER

DESCRIPTION

A-100 is a concentrated low foaming acidic cleaner and stainless steel brightener. Can be used in CIP systems or manual applications. Cleans without brushing, fast acting and non-streaking. Excellent for removing rust and other mineral deposits from stainless steel surfaces.

DIRECTIONS

Recommended dilution rate.

4-8 ounces per gallon general use.

8-16 ounces per gallon heavy duty use. Hot water dilution recommended, 10-30 minutes circulation time.

*Actual dilutions may vary depending on water condition and soil type.

**Be sure to fresh water rinse after application and prior to a sanitizing procedure.

PRODUCT FEATURES / CUSTOMER BENEFITS

- Concentrated / Economical use costs
